Receipts Lag In TB Seal Campaign

Severe cutbacks in the overall program of the Tuberculosis and Health Association of Los Angeles County appeared certain in the face of lagging receipts from the annual Christmas Seal Sale.

That was the report given by Dr. Elliot A. Rouff, association president, in announcing that to date only \$683,500 of the \$850,000 goal had been achieved.

"Unless receipts show a marked upswing," he said, "the association, because of inadequate finances, will be forced to drastically curtail its traditional activities in medical and social research, rehabilitation, case finding and education."

The \$683,500 received thus far is \$34,577 less than the amount collected at this time last year and represents only 71 per cent of the overall goal against a percentage of 87 for the corresponding period of 1957.

Accordion Guild to Meet

Mixing edibles and enterprise, the Accordion Guild of California will hold a barbecue-meeting at the Lippert Studio, 11151 Freeman ave., Inglewood at 2:30 Sunday afternoon, with this area represented by Mrs. Bettie Thomas of Torrance.

Dr. Rouff pointed out that the disparity is significant in that Christmas Seals were mailed to 47,747 more persons this season than for the previous year, the total mailing being 1,171,311 for the current campaign.

"Apathy in the fight against tuberculosis," Dr. Rouff said, "increases the possibility of a further spread of infection. This is a serious matter in view of the fact 2445 new active cases of TB were discovered in the county last year and 352 persons died of the disease."

Christmas Seal replies may be addressed to the Association headquarters at 1670 Beverly blvd., Los Angeles 26.
